

arca24 | video recruiter

# The future of work has arrived

Your time, our technologies

---

*Arca24 is an IT company which specialized in the HR field. Thanks to the experience of its founders in the human resources, it creates IT products which are tailored for those who work in that field.*

---

## OUR COMMITMENT

### **YOUR TIME**

*We care about your time and for this reason we propose solutions that are able to shorten the time for the recruitment and selection process.*

### **OUR TECHNOLOGIES**

*We take advantage of new technology by producing innovations and creating solutions for the HR world.*

## WHAT IS IT?

System allowing to realise automated interviews online, which can be made individually or in groups.

## ADVANTAGES

### **Freedom of organization**

No more live video interviews during inconvenient hours for your candidate and your company.

### **Filing and sharing**

You can file and review your video interviews and share them within your company.

### **Saving time**

No more time wasted in useless interviews and the opportunity to compare the answers of your candidates.

### **It works for you**

Few minutes to load the session and the system will interview all the candidates you want.

## THE RECORDING PROCESS

1

### **Sign up**

Sign up now and get a free credit to make a video interview.

2

### **Enter the information**

Enter the email addresses of the candidates and the questions you want to ask them.

3

### **Wait**

Please wait for their video interview and, once they have recorded it, view it.

4

### **Assess and select**

Assess the candidates and select them. If you wish, you can add your own personal comment and share your videos with other people.
